The Outreach Zine Project is the result of a collaboration between Gallery 44's Zine Team and participating youth from Outreach 2010. Emerging photographers from our community partners: The Harmony Movement; LAMP; Native Learning Center (NLC); SKETCH and Supporting our Youth (SOY) have worked extensively together over the past six months to bring you the first Outreach Zine. The photographs presented in this edition showcase the insightful and engaging images produced by participants in our Outreach program. Let us present to you, Intention, a compilation that communicates our diverse motives behind the lens. We hope to capture and engage you with photographic work that promotes issues that are sensitive and important to youth.

so that in my own heart
I may be faithful of only Thy will,
